

Sunday 5<sup>th</sup> July 2020

Dear Class 4 and families,

I hope you are well. What good news that the Education Secretary has confirmed the intention for all school children to be able to return to school full time in September. I am really pleased too that so many of you will be coming in for the last two days of this term.

The latest First News can be found here: [https://schools.firstnews.co.uk/wp-content/uploads/sites/3/resources/FIRSTNEWS\\_733.pdf](https://schools.firstnews.co.uk/wp-content/uploads/sites/3/resources/FIRSTNEWS_733.pdf)

I received a link to a leaflet relating to the impact of cannabis, particularly on mental health, from Drug Education UK. They suggested sharing the leaflet with parents of children in Year 6 before they make their transition to secondary school. This is the link: [https://www.drug-education.co.uk/downloads/cannabis\\_info\\_leaflet.pdf](https://www.drug-education.co.uk/downloads/cannabis_info_leaflet.pdf) They suggested, 'This flyer is pitched more to secondary school pupils but has information that year 6 should be aware of and teachers also. We recommend that adults read and extract the simplest information from the leaflet to share with the children.'

The local authority also contacted teachers to remind families of the support that they are providing for home learning. This can be found at <https://www.norfolk.gov.uk/children-and-families/families-with-6-11-year-olds>

On behalf of Mrs Alves, please could any library books be returned by the end of this week. Also, please could any clarinets be returned and the Year 6 Maths SATs revision guides by the end of this week.

I will be in touch again soon to update you on further ideas for home learning as we are now entering week 12! How quickly time has gone. Thank you to those of you who have done the history essay challenge about rationing. Your super work is now on the 'Home Learning' display in class.

Have a great week. See you soon.

Take care,

Mrs Henden
