

Friday 22nd May 2020

Dear Class 4 and families,

I hope you are well. I am writing to say a very big thank you to you all for your support and efforts with the home learning. I can appreciate that you have many aspects to your lives so I appreciate everything you have done.

When I wrote the letter of 11th May for the home learning for weeks 4 - 6 of the term I forgot that week 6 (commencing 25th May) is actually half-term week! Please do take a break then resume from where you reached after half-term. By all means, if you are keen to continue with your home learning during the holidays then you are welcome to carry on.

I shall be in touch at the end of the holidays with information to guide those of you still learning from home and I look forward to welcoming back my Year 6 bubbles very soon.

Have a lovely half-term break.

Kindest regards

Mrs Henden
