

# Love Downham

@ Swan Youth Project

Love Downham is here for the whole community and is offering subsidised food, by linking with local producers and suppliers where we can. It is about the dignity of choice and about being able to buy what you want and need at reduced prices. We aim to keep costs as low as possible by offsetting any donations against items we buy in.

We also have our clothes shop alongside this, which sells only the best re-loved clothing in nearly new condition, perfect for anyone with an eye for fashion!

Then, there is the 'Warm Space' areas for anyone to spend time and get access to a hot drink whilst here. We are a friendly and welcoming team, who are great at listening and can also signpost to further support where necessary.
