

Part of the Maths Circle Ltd Group.

Monday 22nd June 2020 Update

We have now got a subscription to ttrackstars so you can all keep playing and improving your times and your scores.

We have two Rock Legends, Rhett and Roxy: six Rockstars; Roxy Aguilar, Cindy Hatrix, Buzzy Rockbottom, Jon Sherwood, Aimee Rippler and Paddy Bowie: one Wannabe, Roxy Reilly. Keep playing all you new artists and see if you can get to the next level and earn yourself a certificate.

In the last week Rhett as played on average 3 ½ minutes every day, while Roxy has averaged 13minutes a day. That is how to catch up Roxy!!

Rhett is this week's star with an average speed of just over one second to answer each question.

You are all doing brilliantly, and hopefully when you all return to school you will be able to tell your friends about *ttrackstars* . It will really help you in your maths work, so well done to all of you.

I have had several parents contact me regarding adding extra times tables for their child, so please let the office know if you would like to change the ones set for your child/ren. As a general rule, Y1 are doing the 10 times tables, Y2 are doing 2s, 5s and 10s, and after that for Years 4 – 6 it is up to 12x12 but this can always be changed to help you.

Keep playing, keep having fun and most importantly keep safe.

HAPPY PLAYING ROCKSTARS!
