

Denver retains School Games Gold Mark

We are very proud that our small school has achieved the Gold level of the School Games Mark from the Youth Sport Trust for the past three consecutive academic years. The staff and children have been working hard towards retaining this for 2020 and we had been concerned that the school closure would impact negatively on this as we were well on track at the time we had to close. We were delighted to receive notification today from the Youth Sport Trust that they have paused the 2020 School Games Mark and that we shall retain the Gold Mark awarded in 2019 for the next academic year.

I would like to thank all of the staff, children, parents and volunteer helpers for all of their efforts. It takes a team effort to achieve this including all of the visits to events such as Active Kids, OMNES Games, cluster sporting fixtures and strong club attendance.

I hope you are all keeping active. Don't forget there are the challenges from the School Sports Partnership referenced in my previous correspondence if you'd like some active things to try...

Thank you once again and I hope to see you all soon.

Kindest regards,

Mrs Henden
