

## School Games Virtual Challenge 6 - NETBALL!

Dear All

Below is the link to the most recent virtual challenge for the school games, Netball!

<https://youtu.be/G6-wyqvOUVc>

As with the last activities, we are aiming to get as many video submissions so we can continue to engage as many pupils as possible. We would like to thank all schools who promoted the challenges so far and for those who were able to complete the challenge and submit a video. If you do submit a video, remember to include the name of the school, name of the pupil and the year group so we can keep a clear track of engagement.

All entries can be submitted at [schoolgames@activenorfolk.org](mailto:schoolgames@activenorfolk.org)

We are really pleased to report that we are still getting many video submissions with 242 to date which still represents over 40% of the total engagement across Norfolk - let's keep it up!!!!

The video links will also be found on the news section of the website at [www.westnorfolkssp.co.uk](http://www.westnorfolkssp.co.uk)

We are really looking forward to seeing lots of brilliant entries about netball.

Many thanks in anticipation of your help in engaging as many young people from West Norfolk as possible.

Kind regards from Mrs Henden and the West Norfolk School Sports Partnership.
