

Welcome Back!

It's been lovely to see the children again and everyone has done brilliantly, settling in to new routines really well.

We've had a good first day back after school closure, with plenty of time for fun and games, lots of stories and a little bit of Numeracy.

The children should feel proud of themselves for the positive manner in which they have returned from the classroom...well done!

Mr. Sexton

Also...

Thank you to Evelyn for sending us lots of lovely pictures of all the hard work you've been doing at home.

I'm pleased to hear you can now ride your bike without stabilisers! That's great news, well done!
