

Here are some more home learning links that may be of use in addition to the ones previously issued:

@mindheart.kids explains coronavirus in child friendly terms.

Scholastic UK - Scholastic Resource Bank has resources for all ages. The Upper Key Stage 2 learning pack is as follows: <https://resource-bank.scholastic.co.uk/content/39883>

Sumdog is a great maths and spelling resource which can also now be accessed for free at <https://pages.sumdog.com/>

Carol Vorderman has announced that the resources on her website themathsfactor.com are to be made available for free during the period that schools are closed.

BBC Teach Live lessons for primary schools cover a range of learning areas. <https://www.bbc.co.uk/teach/live-lessons/primary-live-lessons/zmc9jhv>

For **literacy** these include live lessons for the 500 words competition, Roald Dahl Day, Roar Poetry, Shakespeare unplugged and Super movers literacy.

Maths live lessons include Super movers shapes and spaces and a Liverpool FC themed episode.

For **science** the following live lessons are available: Blue Planet, Winterwatch, Dr Who themed Super movers space and light, Terrific Scientific Feet about evolution and inheritance, Terrific Scientific Exercise about how it impacts the body, Terrific

Scientific Forces about gravity, friction and air resistance, Terrific Scientific Taste about nutrition and digestion and Get Scientific Live which demonstrates how to carry out a scientific enquiry.

There are also art and PHSE lessons.

Don't forget that for physical exercise and wellbeing Joe Wicks runs daily work out sessions on YouTube from 9-9:30am
