

# Weekly learning packs provided by twinkl

## Week 11 for week beginning 22nd June

Yet another week has passed! I have been contacted a couple of times this week by parents asking for weekly spellings. These can be found on the website under home learning summer, weeks 7-9. There are three weeks spelling lists here and new ones will be put on for the final three weeks of the term.

I also know that some of the children are getting a little tired of *twinkl* worksheets. There are some topic themed activities that perhaps you could use to try and engage them and fit in fun activities. This is a challenging time for the children and they need to feel happy and relaxed, so please, if they are beginning to feel anxious, let them have a break and just enjoy themselves with play.

The new resource is for all ages.

<https://www.twinkl.co.uk/home-learning-hub/2020-06-15>

There is a drop-down bar to access the days of the week. You will also note there is a choice of ages, so make sure you are on the correct level of work for your child. Some of the activities link to the BBC bitesize too.

Also remember to keep looking at *Top Marks* and *Primary resources* for resources for all subjects.

### **Maths:**

- *ncetm*: You need to subscribe, but it is free and there are daily videos if you click on ***Teaching Maths during school closure***
- *nrich*

### **Literacy:**

- <https://www.literacyshed.com/the-ks1-shed.html> for literacy,
- <https://literacytrust.org.uk/free-resources/>

Take care and stay safe.

Miss Pennock
