### Week 9 for week beginning 8<sup>th</sup> June

It is lovely to have some of the children back in school. They have adapted to the new routines and how the school is now operating to be Covid 19 safe. They are following all the new rules and understand the need for social distancing and careful regular handwashing. They have enjoyed being with their friends and being able to chat to them.

I hope it is not long before we can welcome the rest of you back as I miss you all. I hope you are all keeping well and have been enjoying the lovely weather.

There are lots of new resources being added daily. It is well worth having a look at some of the activities, they do not all require a printer. There are powerpoints and interactive games for the children.

Take care and stay safe.
