

Learning packs provided by twinkl

for week beginning 13th July

Well, we are in the final full week of what has been a very unusual academic year. I have missed those children who have not been into school during the last four months and hope they have coped with all the change. Hopefully, when we return in September, they will settle back into school and adapt to the new routines we have in place to keep them all safe. I wish you all a lovely summer break and remember to take some time to enjoy the children and have fun while staying safe.

Here is the link to the new twinkl topic based daily activities that you many want to try.

The new resource is for all ages.

<https://www.twinkl.co.uk/home-learning-hub/2020-06-15>

There is a drop-down bar to access the days of the week. You will also note there is a choice of ages, so make sure you are on the correct level of work for your child. Some of the activities link to the BBC bitesize too.

Also remember to keep looking at *Top Marks* and *Primary resources* for resources for all subjects.

Maths: *Refer to the three-week letter on the website to see what the children can do over the next three weeks.*

- *ncetm*: You need to subscribe, but it is free and there are daily videos if you click on **Teaching Maths during school closure**
- *nrich*

Literacy: *Refer to the three-week letter on the website to see what the children can do over the next three weeks*

- <https://www.literacyshed.com/the-ks1-shed.html>
- <https://literacytrust.org.uk/free-resources/>

Take care and stay safe.

Miss Pennock
