19th March 2020

Dear Parents/Carers

Following the announcement yesterday from both the Prime Minister and Education Secretary, I am writing to confirm that **we have been instructed to close the school after this Friday, 20th March, for the majority of our pupils until further notice.**

From Monday, as advised by the government, we will do our very best to remain open for children of key workers and children with certain needs. We are still waiting for the government to publish more information on what this means. If you think that you or your child/ren might fall within any of these categories, please contact the school by midday tomorrow to indicate whether you plan to send your child/ren to school. This information is very important to allow us to plan provision. If you are unsure of whether you fit into one of these categories, please contact me.

All other children will need to stay at home, therefore we ask that you do not send your child/ren from Monday onwards.

As mentioned in my previous letter, we will communicate with parents via the school website. Please see the new 'Home Learning' tab under the 'About Us' section for work/information. Each child will take home a home learning pack today or tomorrow with work that should be completed. It is vital that children continue to work at home in order to maintain progress. Teachers, should they be fit to do so, will give weekly updates and indicate work that the children can be completing.

I would like to thank you for your continued support during this very difficult time. I hope you all stay well in the days and weeks ahead and look after yourselves and your families.

With my very best wishes

Louise Jones
Headteacher
