

Update from Mrs Jones 20th April 2020

I hope you are all safe and well.

I wanted to bring to your attention two useful resources that have been launched today.

Launch of the Oak National Academy online classroom and resource hub

The sector-led Oak National Academy has today launched its online classroom and resource hub. The Academy offers 180 video lessons each week for schools to use, across a broad range of subjects. The lessons cover children in Reception through to Year 10 and are free to use by both teachers and young people.
