Dear Parents/Carers

I hope that you and your families are safe and well, and continuing to cope in these challenging circumstances.

Following the Prime Minister's address on Sunday, I'm sure that many of you have a number of questions and concerns about the possible reopening of schools for certain children from 1st June. As it currently stands, we are still only able to support vulnerable children and children of key workers until this date. We will, of course, keep you fully updated of further changes. The government have released the following guidance for parents that you may find useful:

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

Please be reassured that we will work tirelessly to ensure that the necessary measures are in place for children to return to school in the phased manner suggested, and that the safety of our pupils, staff and parents will be paramount.

If you have a child in Reception, Year 1 or Year 6, please would you contact the school by **Monday 18th May** to inform us of whether you will be planning to send them back to school from 1st June, should the school be required/deemed safe to reopen. This will help us considerably with our planning.

Please continue to regularly check the website for updated messages from us about the reopening of schools. If you have any questions, you can continue to communicate with the school via telephone or email.

I am very proud of how the school community, pupils, parents and staff, have responded to the many challenges that we have faced over the last few months, and I know that we will work together effectively over the coming months to slowly bring us back together again.

Thank you once again for your continued support in these challenging times.

Louise Jones
Headteacher
