20th May 2020

Dear Parents/Carers

I hope that you and your families all continue to be well.

Since the government's announcement for the phased reopening of schools, I want to assure you that very thorough risk assessments have been undertaken to cover every aspect of the school day prior to children in Reception, Y1 and Y6 returning on 1st June. Please rest assured that any decisions taken have had the safety of the school community as top priority. We have made some difficult decisions, particularly with regard to Y6, although these have been necessary to ensure their safety and compliance with the government's social distancing guidelines.

Although the school will be very different from normal, the children's wellbeing will be at the forefront of our approach. The staff will ensure the children are well cared for and looked after. We will settle them in gently and give them opportunities to ask any questions they may have.

Please remember that sending children back to school is your choice and there will be no penalties for non-attendance.

If you have any questions or concerns regarding our plan, please don't hesitate to get in touch. Please do share the content of our plan with your child/ren so they are as prepared as possible for their return.

Parents of the children in Y6 will receive a further letter by the end of the week to confirm arrangements for them coming back.

School will continue to be open on Tuesday, Wednesday and Thursday of half term for key worker children if you need to talk to a member of staff.

Thank you once again for your continued support and we look forward to welcoming some of you back on June 1st.

Yours sincerely

Louise Jones
Headteacher
