

11.2.26 Fire and apples, smoke and Marshmallows!

The last of our outdoor learning sessions this half term, and indeed for key stage one for a while, saw the children tucking into baked apples and marshmallows. The weather was determined to put a dampener on things, however with dry wood and high hopes we managed to fight the tide of what the weather threw at us. We weren't as fortunate when it came to the dodgy roll of tin foil purchased from a well-known local supermarket! As a result of the tin foil being more than useless, we resorted to sticks and skewers, which worked just as well.

I would like to say a great big thank you to all of our helpers this term. Without you there would be no outdoor club. So, to Mrs Collins, Will, Ben, Peter, and Kelly - the children are very grateful for your ongoing help.

Next half time we switch back to key stage 2 which will give us the chance to try lots of new skills and enjoy some exciting experiences. Have a safe holiday and enjoy the outside. Mr C
