All Denver VC Primary staff members receive annual safeguarding training, using the Norfolk County Council Core Package.

Staff also receive regular safeguarding updates throughout the year.

Carole Reich is the Safeguarding Governor. Safer Recruitment training was completed on 03/03/26.

If staff members or visitors have concerns about a child or adult, they should raise these with the **Designated Safeguarding Lead** (DSL). If the DSL is absent, then all concerns should be raised to the Deputy DSL.

If you have a safeguarding concern out of school hours, we have a dedicated email address worried@denver.norfolk.sch.uk which is monitored by a DSL. If you are worried about something, please do contact the school via this method and a member of staff will get back to you as soon as possible.

If you are concerned about the safety or welfare of a child, a referral can also be made to children's social services.
