

PARENTAL POINT - Please be aware that there is wide variation of ability in class so the links are to support all children. Parents are asked to use discretion as to what suits their child best. Please also note when using twinkl worksheets SOME are differentiated by ability. They use a star system to indicate this on the bottom of each sheet, 1 is the easiest option 3 is the hardest option. Supervision may be required as answer sheets may be included.

Literacy

Remember to read while you are at home, it is really important. Read to your family and get them to read to you as well. Maybe read to your distant family over Skype, they would love it I am sure.

SPaG - Verb tenses

Have a look at this clip, it explains about tenses and some quizzes that you could also have a go at.
<https://www.bbc.co.uk/bitesize/topics/zp7mn39/articles/z6fkd6f>

You will use these naturally but need to know the terms past, present, future.

Print out the page below and have a go, see if you can do them on your own.

Comprehension - Neil Armstrong

Have a go at the comprehension below.

Other things you might want to try...

After reading about Neil Armstrong, why not get creative!
If you could travel in space and to other worlds, what sort of world would you like to discover? What would be different?
What would you find, aliens, creatures, plants?
You could write and illustrate a message back to earth.
Would you recommend it? Was it horrifying? Was it wonderful?
Have a look at the link below to give you some ideas.

The Importance of Plants

Use this link to find out about why plants are important. There are a few questions to try as well.

<https://www.bbc.co.uk/bitesize/topics/zxfrwmn/articles/zss9msg>

Using this information, write a short paragraph explaining why plants are so important.
You can add pictures or drawings to help explain.

Words you could include: carbon Dioxide, Leaves, Oxygen

History

Shang Dynasty

This term in History we are looking at the achievements of Early Civilisations.
The next Early Civilisation we are going to look at is The Shang Dynasty.
Below is a short animation to introduce the topic.

<https://www.bbc.co.uk/bitesize/topics/z39j2hv/articles/z2ckrwx>

Below is a link to a E-Book all about it.

<https://www.twinkl.co.uk/resource/t2-h-4328-the-shang-dynasty-e-book>

Using the clip and the E-Book to create an information sheet all about The Shang Dynasty.
It does not have to be all writing, but some information should be included.

Tips

Think of it as a poster, it needs to look exciting to get people to read it.

Use colour, use interesting lettering, use questions in the titles.

Are you going to have information in boxes?

Are you going to have a character speaking in speech bubbles, like the character in the clip?

Have fun and make it look amazing!

This will go with last weeks poster so it could be in the same style or completely different.
