18th November 2020

Dear Parents/Carers

This year, due to current Covid-19 restrictions, we are unfortunately unable to share with you our annual Christmas Carol Service or Nativity in the traditional way.

As with many aspects of school life this term, we have had to be creative and think outside the box as we do not want the children, or indeed you the parents, to miss out on what is normally one of the highlights of the school year.

We are, therefore, planning to record a performance from each class bubble and send this to you electronically, details to follow shortly.

Many of you will have already given permission for your child/ren to be videoed in our annual consent form, however if you do not wish for your child to be part of the filmed performances, please contact the school office by Friday 27th November to make us aware.

We hope that you will enjoy spending time watching the performances as a family from the comfort of your own home.

Yours sincerely

Louise Jones
