

25th January 2021

Dear Parents/Carers

I am writing to inform you that the school is continuing to take part in Operation Encompass this year, a jointly run operation between Norfolk County Council, Norfolk Police and our school. Operation Encompass has been set-up to help schools to provide support to children who have been present at incidents of domestic abuse and violence. We know that children can be significantly harmed, physically or emotionally, when they are involved in, present or witness to domestic violence.

The school will receive a confidential notification from Norfolk Children's Services before 9am or as soon as possible thereafter on the morning after any domestic incident which Norfolk Police have recorded where a child at their school has been involved in, present or witness to domestic violence.

The school's designated Key Adults are Mrs Jones, Miss Pennock and Mrs Henden. Our Key Adults have received training from Norfolk County Council to allow them to use the information that has been shared to make sure that the right support is available for children and their families who have been involved in or witnessed a domestic violence incident.

We are keen to offer the best support possible to our pupils and we believe this is going to be extremely beneficial for all those involved.

If you have any concerns or questions, please contact me and I will be happy to discuss this further. Further information about the project can be found on our school's website and is available from the school office on request.

Yours sincerely

Louise Jones
