26th February 2021

Dear Parents/Carers

We are so pleased that all of the children will be back in school on 8th March and are really looking forward to getting back to face-to-face teaching again. We have been working through the new guidance this week and plan to continue with the safety measures we had in place in the autumn term. More details regarding this will follow next week.

Yesterday, we joined many Norfolk schools in a collective Rainbow Superhero Day to celebrate hardworking critical workers, especially the NHS frontline staff. Thank you for sharing the wonderful photos of the children dressed as superheroes. We have sent a selection of photos and work to the Queen Elizabeth Hospital and I know that this gesture will be greatly appreciated. Thank you for helping us to support our amazing critical workers. Here is a selection of our superheroes:

Don't forget that it is World Book Day next Thursday, 4th March. Every year, the children impress us with their creative book character costumes and I'm sure that this year will be no exception.

We had arranged for the children to watch a recorded version of the pantomime 'The Wizard of Oz' on their return to school in January, although this was not possible due to the current lockdown. We have, however, arranged for this to happen in the first week of the children's return, giving them something to look forward to.

Mrs Henden sent out a letter earlier in the week to inform you that after school sports clubs for Classes 2, 3 and 4 will resume from 8th March. If anyone would like their child to attend the Before School Club from this date, please contact the office. This club will only be able to run if enough children attend to make it financially viable.

I hope you all have a lovely weekend and enjoy the sunshine. Only one more week of remote learning to go!

Take care and stay safe.

Louise Jones
