12th March 2021

Dear Parents and Carers

It has been lovely to welcome all the children back this week and have the buzz of learning return to all our classrooms. The children have thoroughly enjoyed catching up with their friends and teachers, and have settled back into school routines extremely well – their resilience truly is remarkable!

The focus this week has very much been on the children's wellbeing and they have engaged with a number of activities, including two online sessions run by Norwich Community Sports Foundation, to address this.

The children enjoyed making Mothering Sunday posies today and we hope that all of our mums will enjoy receiving these. A huge thank you to three of our governors, Jo Walton, Carole Reich and Amanda Dawson, along with the ladies from St Mary's Church, for preparing all of the items. In our continuing work to become an Eco-school, we would be very grateful if you would return the plastic trays from the posies by the end of this term. We will then be able to re-use these for next year's posies. Here are some photos of the children's creations:

The children also had a real treat this afternoon when they sat down to watch a recorded version of The Wizard of Oz. To help bring the theatre to the classrooms, Miss Palmer and Mrs Fenn kindly donated ice cream and popcorn for the children to enjoy. A perfect end to the week! A huge thank you to The Friends for funding this.

As it is Comic Relief next Friday, we are planning on having a non-uniform day. We suggest that the children bring in a donation of £1, with half of the money raised going to Comic Relief, and half to School Council funds. The children are also welcome to bring in a red nose.

Have a lovely weekend and enjoy Mothering Sunday.

Louise Jones
